The clinic's founder Prof. John J.H. Liu received his bachelor's degree in Traditional Chinese Medicine from Nanjing University of Chinese Medicine, his master's degree in Acupuncture and his doctor's degree in TCM Internal Medicine(Oncology) from Zhejiang Chinese Medical University. He began clinical practice since 1988. Over 30 years of practical experience in treating traumatic injuries and pain disorders. He personally created and also successfully applied the unique Acupuncture and Chinese Medicine Target Treatment to tumor/ cancer, internal medicine and gynecological diseases. His project, The Analysis of Acupuncture and Chinese Medicine Target Treatment, was strongly supported by the Chinese National Science Foundation and the Zhejiang Provincial Health Care
